

PVC Chicken Tractor w/ Door

a FORMUFIT PVC Plan

Important information.
Read carefully.
Keep this information for further
reference.

WARNING

Serious or fatal injuries can occur from using power tools when cutting PVC pipe. Be sure to read and understand the instructions that came with your power tools before using them.

PVC cement is a noxious chemical that should be used in a well ventilated area. If you become dizzy, light-headed or disoriented, move to fresh air.
